

Cancellation/No Show Policy

To make sure I give my clients the best service, I require 48 hours notice when cancelling appointments. If not enough notice is given you will still be charged the full amount of \$85. Please be courteous and respect my time, as I respect you and your time. It is my duty to set standards such as these to protect our time invested in you as the client.

Thank	you,

I have read and understand the cancellation policy. I have purchased a package or I have provided a credit card to keep in my file and understand it will ONLY be charged after a missed appointment if 48 hours notice is not given.
